

How to reach Iliovasilema:

**Coming from the port:**

From the port the distance is approximately 2.2 km or 4 minutes by car. We turn right on the tangential road and successively at the crossroad of Platy we continue straight ahead along the same road. Immediately after on our right we find ILIOVASILEMA.

**Coming from the airport:**

From the airport the distance is approximately 20 km or 23 minutes by car. Heading towards Myrina, just before entering the center of the city, we find the beltway on our right which we cross straight ahead towards the port of Myrina. When we meet the junction of Platy we continue straight towards the seaside. Just before we arrive at the second junction, we find ILIOVASILEMA on our left.
